

REQUEST FOR IMPROVEMENT INFORMATION MEETING

To the City Council
of the City of Farmington Hills
Oakland County, Michigan

The undersigned hereby request the City of Farmington Hills to schedule a _____ Improvement Information Meeting for the area identified below. Signers to this petition further request that the City's Engineering Division prepare for distribution at the information meeting cost estimates and other information relevant to this proposed improvement.

Petitioners should note that **this document is a request for an information meeting only.**

Street(s) or Subdivision

From

To

The area described above should include entire street lengths or an entire subdivision, rather than individual street segments. The City considers a petition representing substantial interest (generally 30%) of the property owners in the proposed project area sufficient to warrant scheduling an information meeting.

Please return this request for Information Meeting to the City of Farmington Hills Engineering Division. Any questions concerning the above should be forwarded to the Engineering Office by calling 871-2560.

**Please indicate what type of improvement you are requesting
an informational meeting on (i.e. paving, sanitary sewer, water, etc.)**
