

FARMINGTON HILLS POLICE DEPARTMENT
PRESS RELEASE

June 29, 2020

City of Farmington Hills Fireworks Ordinance

The Farmington Hills Police Department would like to remind residents about the City's current fireworks ordinance.

Starting today, June 29, 2020, fireworks may be discharged from 11 AM to 11:45 PM every day through the night of Saturday, July 4, 2020.

It is illegal to use fireworks while under the influence of alcohol or drugs and fireworks cannot be fired off from parks, roadways or other public property. Written permission must be obtained to fire off fireworks from private property. Additionally, it is unlawful to discharge fireworks if a firework ban has been implemented by the Fire Chief due to dry conditions. An individual that violates the ordinance may be issued a municipal civil infraction, which is punishable by a civil fine of \$1,000 for each violation.

The Farmington Hills Police Department is asking residents who wish to celebrate with fireworks to do so in a safe and legal manner that is respectful of others.
