City Conducts Cannabis Conversations *Public Outreach and Education Sessions to Be Held October 3 & 4*

The City of Farmington Hills will host two Cannabis Conversations to share details from recent information gathering efforts and to allow Farmington Hills residents and business community members to voice their opinions and concerns.

In order to learn more about the cannabis industry, City Administration recently met with leaders from other municipalities that have allowed commercial production and sales of both medical and recreational cannabis. City officials also conducted information gathering sessions with commercial cannabis industry representatives to gain insight about production and retail distribution now that Michigan has legalized both medical and recreational cannabis.

The Cannabis Conversations are open to all members of the public and will take place live in the Council Chambers at Farmington Hills City Hall located at 31555 W. Eleven Mile Road. Both public feedback sessions will also be livestreamed via YouTube on the following dates:

- Session #1 - Monday, October 3 - 6:00 to 8:00 p.m.
- Session #2 - Tuesday, October 4 - 9:00 to 11:00 a.m.

Members of the public may submit questions prior to or during the meetings via email to psmith@fhgov.com. There will be a three-minute time limit for public comments.

For additional information, go to the City of Farmington Hills website at www.fhgov.com and click on the Cannabis Information Outreach icon on the bottom of the website main page or go to <https://www.fhgov.com/government-business/current-programs-initiatives/cannabis-info-gathering>. Both public sessions will be recorded and will be available on this webpage for those who are unable to attend. Videos are also available from each of the three previous sessions held with industry representatives. A list of Frequently Asked Questions based on inquiries from the sessions will also be available on this webpage and on the City Facebook page.

The City of Farmington Hills is a multicultural and diverse community, and is deeply committed to the principles of equity, diversity, and inclusion. As such, minorities, women, and individuals with disabilities are strongly encouraged to participate in these sessions.

For more information, contact the City Manager's Office at cmo@fhgov.com or 248-871-2500.
