

FARMINGTON HILLS AFTER SCHOOL YOUTH PROGRAM

Frequently Asked Questions

How do I register?

You can register online at recreg.fhgov.com or in-person at the Hawk Community Center. You will need to create an account prior to registration.

Will my student be supervised?

Students will be supervised by After School staff at each breakout space.

What will my student be doing at the Hawk?

After checking into the Social Room, your student can then choose to stay and hang out, play games, and participate in clubs, or they can sign up to break out into different activities across the Hawk including, free tutoring, open swim in the state-of-the-art aquatics center, gym time at the fitness center, open gym, arcade games in the game room, buying treats at concessions, and more!

Is it really \$60 for the whole school year?

Yes! The City of Farmington Hills Special Services is dedicated to providing Farmington Public Schools families with after school care for their children. We are proud to provide this service to families for such a low price.

What is the refund policy?

The After School Youth Program refund policy is the same as that of all City of Farmington Hills programs. Go to <https://recreg.fhgov.com/> and scroll down to the "Refund Policy" link at the bottom of the page for more information.

How will I know if my student checked into the program?

You can call the ASYP main line at 248-699-6494 to see if your child arrived from their school.

Why is ASYP a "no phone zone?" How will my student get in touch with me?

The ASYP is a "no phone zone" until 5:15pm. It is a part of our philosophy to encourage students to spend time socializing and having fun without phones! If you need to get in touch with your child before 5:15pm, you can call the Hawk at 248-699-6700 or the ASYP main line at 248-699-6494.

What is the attendance policy? Does my student have to attend every day?

Come as you please! You do not have to inform us if your child will be in attendance or not, but it is always helpful for us to know if they will not be attending for more than a few days at a time.

What do I do if I don't receive an ePACT email after registering?

After registering, you should expect to receive an email to sign up for ePACT within 1-3 business days. If you don't receive an email within a week, please contact us.

What happens when school is cancelled?

In the event of snow days, early release days, or school cancellations, the After School Youth Program does not run. You can contact your local YMCA for information about last-minute care when FPS is cancelled.

How will I receive updates? What if I can't find the weekly emails?

Registered families will receive email updates each week with important information, announcements, and the monthly calendar. If you do not see the emails, check your spam and promotions folders or contact us.
