CLASS DESCRIPTIONS

OPEN SWIM

During **OPEN SWIM** the entire pool area is available to swimmers. This is a great time for families or anyone who wants to take a casual dip in the pool. In addition to the shallow and deep end, two lap lanes are available.

LAP SWIM is a designated time for lap swimming only (utilizing circle swimming). A great time for swimmers to practice, work on cardio, or record their number of laps.

During **MODIFIED SWIM** the pool is being used for other scheduled programming (i.e swim lessons/classes). There is usually limited space at this time. Often this time includes ***DEEP WATER WALKING***.

WOMEN'S ONLY SWIM sessions are designated for female participants only, with the exception of children 5 years of age and under.

SENIOR AQUATICS

SENIOR OPEN SWIM is a designated swim session for Seniors Only. The entire pool is reserved for Seniors to swim casually or workout.

SENIOR ARTHRITIS X is a fun, athletic approach to water fitness training with a focus on managing arthritis. This is an all-inclusive workout utilizing a variety of equipment. Swimming is not a required skill. Participants must be comfortable in water.

SENIOR WATER X is a fun water fitness training session for Seniors. This class will combine aerobic conditioning, strength training, muscular endurance, and flexibility. Swimming is not a required skill. Participants must be comfortable in water. The Senior Water X classes are categorized by levels 1 & 2 differing in intensity. **Level 1** classes are more relaxed and gentler in movement. **Level 2** classes provide more vigorous exercise and challenge.

SENIOR DEEP WATER X is an enjoyable way to slim down and shape up with little to no impact to your joints. Swimming is not a required skill. Participants must be comfortable in 6-10 feet of water *with flotation assistance*.

NEW! SENIOR WATER WALKING is a new addition to our program. Patrons are allowed to exercise or water walk independently in either the shallow or deep end of the pool. * Shallow or Deep availability contingent on coinciding Water X class. This program is only available during Senior programming.

WATER AEROBICS

ADULT WATER X will combine aerobic conditioning, strength training, muscular endurance, and flexibility. Swimming is not a required skill. Participants must be comfortable in water. **Water X** classes are categorized by levels 1 & 2 differing in intensity. **Level 1** classes are more relaxed and gentler in movement. **Level 2** classes provide more vigorous exercise and challenge.

NEW! WATER WALKING is a new addition to our program. Patrons are allowed to exercise or water walk independently in either the shallow or deep end of the pool. * Shallow or Deep availability contingent on coinciding Water X class.

DEEP WATER X class will cover aerobics using natural resistance, weight training, and an abdominal/core body workout. Swimming is not a required skill. Participants must be comfortable in 6-10 feet of water *with flotation assistance*.

WATER DANCE is an instructor-led high-energy workout utilizing the natural resistance of water while moving to the beat. This class involves 45-50 minutes of intense cardio burn using dance inspired moves. Swimming is not a required skill. Participants must be comfortable in water.
