Farmington Hills Police Department Asks for Public's Assistance to Identify Two Suspects in Gross Indecency Incident Captured on Home Security Footage

In the video, the male and female suspects can be seen preparing to engage in sexual activity in public

FARMINGTON HILLS, Mich. (Sept. 12, 2024) – The Farmington Hills Police Department is asking for the public's assistance to identify two suspects who were captured on home security footage preparing to engage in sexual activity in public.

On Sept. 9, 2024, the Farmington Hills Police Department received a report from a concerned resident. The resident reported that their minor son was expecting a package delivery, when he received a notification from their home security camera system that there was motion in their driveway. He opened a live link to view the video while he was at school.

The minor child began viewing the live video feed and observed a silver Toyota Corolla back into their driveway and park near their home. A male and female exited the vehicle and stood behind an open car door. The male and female both lowered their pants, fully exposing their genitals to the home's security camera. The male and female prepared to engage in sexual activity when they were interrupted by a passing motorist. The camera stopped recording prior to the conclusion of their interaction.

"I'm disturbed by this brazen activity," said Farmington Hills Police Chief Jeff King. "The activity exposed a teenager to disturbing behavior and violated the sanctity of the residents' home where they should feel safe and secure. This is a very active investigation with detectives working to develop additional information."

Anyone who may know the identity of the suspects, or has any information related to this incident, is asked to contact the Farmington Hills Police Department Command Desk at 248-871-2610.
