LAP SWIM is a designated time for lap swimming only (utilizing circle swimming). A great time for swimmers to practice, work on cardio, or record their number of laps.

During **MODIFIED SWIM** the pool is being used for other scheduled programming (i.e swim lessons/classes). There is usually limited space at this time. Often this time includes ***DEEP WATER WALKING***.

WOMEN'S ONLY SWIM sessions are designated for female participants only, with the exception of children 5 years of age and under.
