FIRE FIGHTER APPLICATION SUPPLEMENT

The Farmington Hills Fire Department currently operates a combination Department managing 33 Career fire fighter and approximately 80 Paid-on-Call fire fighters who work or live in Farmington Hills, or nearby. The Career fire fighters at the satellite stations work Monday through Friday, from 7:30 a.m. until 6:00 p.m. Station 5 operates 24 hours a day, seven days a week. The Paid-on-Call members provide emergency services after 6:00 p.m. and on all weekends and holidays.

All members of the Department are trained to be State certified Emergency Medical Technicians. Non-emergency services may include fire inspections, public fire education, community service parades, and CPR instruction.

While definitely not a traditional fire department, this unique approach combines the talents and resources of the entire community along with the expertise of the Career members. To become a part of this outstanding community effort, please complete the application and this supplemental form. An incomplete application may not be considered. We request you include copies of training certificates, licenses, military service, diplomas, etc. and return the application in person or by mail to the Farmington Hills Fire Department at the address above.

Please indicate with a checkmark if you have been certified or licensed in any of the following courses.
